

Trusted Since 1860

FULLER BATTERY ±

Commercial Range

Features & Benefits

Vibration Resistant

These batteries are designed for the toughest of roads, in the most demanding conditions for all kinds of commercial vehicles

Longer Life

Batteries designed to last over long periods of time, ensuring your peace of mind.

Commercial Design

Bigger vehicles need bigger batteries, the Fuller Commercial range is specifically designed for heavy duty commercial vehicles.

Power when you need it

High-quality & high-power, no matter where, no matter when.

Range Overview

Part No.	Voltage (V)	Capacity (Ah)	CCA	Weight (kg)	Length (mm)	Width (mm)	Height (mm)	Layout	Terminal	Hold Down
640	12	100	900	24	330	173	240	9	T1	N
663	12	105	735	25.5	346	173	234	0	T1	N
664	12	105	730	25.5	346	173	234	1	T1	N
665	12	105	735	25.5	346	173	234	0	T1	B1
643	12	96	620	26	347	174	235	0	T1	N
644	12	96	620	26	347	174	235	1	T1	N
655	12	125	720	34	347	174	285	0	T1	N
656	12	125	720	34	347	174	285	1	T1	N
616	12	110	650	29.6	407	176	234	0	T1	N
618	12	110	650	29.6	407	176	234	1	T1	N
638	12	140	1050	36.5	508	175	205	0	T1	B1
622	12	135	880	39.2	510	216	210	3	T1	N
627	12	140	825	36.5	513	189	223	3	T1	N
